PETALUMA, CA (July 3) - TRG's Mike Piera returns to the scene of his first professional race win, to defend the team's honor and to hopefully repeat, at this weekend's ALMS race at Lime Rock Park in Lakeville, CT. He will be joined by TRG driver Spencer Pumpelly. In a show of team dominance at last year's Lime Rock event, TRG finished an epic 1-2 and is looking for another win this coming Saturday.

"We are really, really happy to have Mike back with us again at Lime Rock," said team owner Kevin Buckler. "He grew up here and he knows this track. He did a great job for us last year and I think that he and Spence are going to be tough to beat this weekend."

TRG enters Round Four of the American Le Mans Series presented by Tequila Patron in third place in GTC class, a situation similar to last season before it began a string of three straight ALMS wins and finished the year with six podiums in the last seven races. As a matter of fact, TRG had back-to-back 1-2 finishes at Lime Rock and Mosport a year ago.
