DEREK DEBOER

Derek DeBoer grew up in a family where racing and the love of cars was very much at the forefront of everyday life. His grandfather raced in the local dirt car circuit and his father followed suit, but in the form of Top Alcohol dragster racing. DeBoer's family owns an auto group in the Pacific Northwest, with Derek playing a large role in the day-to-day operations. Not a stranger to competition, Derek also spent 12 years as a professional wakeboarder riding for the Liquid Force factory team. His driver development began behind the wheel of a Formula Dodge at what is still his favorite track; Laguna Seca in Monterey, CA. He is a native of Southern Oregon and has traveled extensively for the past fifteen years racing in Formula Renault, multiple efforts at the 25 hour of Thunderhill, and in the GRAND-AM ST and GS Classes. DeBoer first tested in the V8 Vantage GT4 and raced at Sebring in 2013, before moving into multiple Pirelli World Challenge and Continental Tire Sportscar Challenge races in 2014, helping cement his place as part of the TRG-AMR team. DeBoer is running the full Pirelli World Challenge season in 2014 behind the wheel of an Aston Martin V8 Vantage GT4.

MAX RIDDLE

Max Riddle started karting when he was fourteen, and competed in the North American Stars of Karting series. While karting Riddle earned a spot on the Canadian Rotax team and traveled to Portugal to compete in the Rotax Karting World Finals, which consisted of the best kart racers from all around the world. That experience was priceless and extremely valuable. Karting was also a great way to learn the basics of racing and car set up. After karting, Max competed in the Skip Barber Western formula car series and Skip Barber MX-5 sports car races. Skip Barber was a huge stepping-stone for his racing career. Following his Barber Western formula car and MX-5 events, Riddle moved to the Mazda MX-5 Playboy Cup where he competed in four races. From there Riddle made a foray into rally driving. Having contested the entire 2014 Continental Tire Sportscar Challenge series with teammate Kris Wilson, Riddle now looks at attacking the 2015 Pirelli World Challenge for the duration of the entire season.
