2016 IMSA WEATHERTECH SPORTCAR CHAMPIONSHIP

The IMSA WeatherTech SportsCar Championship offers a unique blend of high technology and close competition. Specific to the Rolex GT Daytona and Le Mans classes, this offers a unique opportunity to race with a number of exotic makes and models very closely related to their production counterparts.

From Aston Martin Vantage GT3 cars, to BMW, Mazda, Porsche, Chevrolet, and beyond, the IMSA WeatherTech SportsCar series is an chance to race with some of the world's best drivers in premier vehicles. Featuring a competitive field, the series offers a fantastic opportunity to see how you compare to sports car racing's finest.

By racing with TRG-AMR, you receive the performance edge that comes from a decade of winning across multiple classes. We have a proven history of exceptional driver development - from race strategy and data acquisition to race car engineering. With all races being broadcast on the Fox Sports networks, the IMSA WeatherTech SportsCar Championship offers a great platform for maximum exposure for you and your sponsors. Whether it's primary branding on the race car, or providing a forum for B2B networking and executive entertainment using our trackside hospitality, we can bring your sponsors and guests to the forefront of the action.

PROVEN RESULTS

Proving the current strength of the team, TRG-AMR remains at the top of their game with another successful year. Excelling in every form of professional sportscar racing competed in this year, TRG-AMR was a top performer in The IMSA WeatherTech SportsCar Championship (GT Daytona class), IMSA Continental Tire SportsCar Challenge (GS class), and Pirelli World Challenge (GT and GTS classes).

Rolex 24 Hours at Daytona Highlights Include:

- Strongest multi-car racing program in history of GRAND-AM (Now IMSA)
- Highest number of GT victories by any private team in North America
- Four total victories at the Daytona 24 Hours, including one overall victory
- Thirteen podium finishes in ten years

BRAND ASSOCIATION

Associate with one of the most sophisticated
and highly esteemed brands in the world.

V12 VANTAGE GT3 GTD CLASS

- The most competitive and exciting racing in North America will take place in the 2016 IMSA WeatherTech Sportscar
- The Vantage GT3 is powered by a lightweight, dry-sump 6.0 liter V12 engine that creates ~720hp when unrestricted
- Power is applied through a pneumatically actuated X-Trac 6-speed sequential, paddle-shifted gearbox

BUILDING A WINNING PROGRAM

TRG-AMR has the capability to create a successful racing program by fielding winning teams both on and off the track. As a team built by race proven winners, performance and competition are always paramount. From pre-race education to a top-notch mechanical staff, proven engineers and race-winning strategists, our team has the experience necessary to win.

Off the track, TRG-AMR is unparalleled in its hospitality, business development opportunities and marketing support. Whether it's creating a fun, yet professional atmosphere for your at-track guests, a top-level design and presence for your car, or new approaches to sponsorship, we have the team you need.

Add our award-winning wines, VIP hospitality, and B2B networking environment and you have an opportunistic setting.

TRG-AMR ARRIVE AND DRIVE

TRG-Aston Martin Racing regularly secures exclusive track days at select race venues around the country for sports car driving experiences in the Aston Martin Vantage GT4 and GT3 race cars.

Customers arrive at track for a morning of classroom instruction, track orientation and a variety of driving and track activities. We utilize both the Aston Martin Vantage GT4 and GT3 race cars for a day of thrilling driving with professional coaching. This is a chance to become familiar with the Aston Martin race cars at speed to gain experience on an array of world class raceways.

Participants enjoy a full-day track experience, including catered meals, refreshments, photos keepsakes, in-car video footage and access to our unique hospitality and dining events.

SHOW CAR PROGRAM

TRG-AMR's show car program enables you with even more tools to succeed. Can be utilized for in-market events to promote your sponsors and vendor partners at:

- Retail locations
- Trade events
- Corporate offices
- Market promotions
- Race event display

BRAND VISIBILITY ACROSS THE NATION

Our fleet of race car transporters will criss-cross the nation on its way to and from the largest population centers in the country, traveling the busiest interstates and highways—and will be seen by millions, building brand exposure on an expansive basis.

The branded transporters also serve as a staging ground at race venues for fans and Aston Martin enthusiasts to connect with the team. Make a dynamic impression as the transporters arrive at corporate driving and promotional events.
