BENEFICIAL PARTNERSHIP PLATFORMS

TRG's assets include on- and off-the-racetrack experiences with high-end luxury race cars. Over 20 years of building relationships with business partners have yielded dozens of valuable alliances formed from connections made at a TRG event.

UNIQUE RACE CAR DRIVING EXPERIENCES

This is not your standard exotic car Arrive and Drive. Between races, TRG hosts select driving days where guests can not only try out our race cars, but can gain valuable seat time and receive tactical lessons from our pro drivers.

RACE WEEKEND ENTERTAINMENT & HOSPITALITY

Full access to the sights, smells, sounds, and incredible experiences that can only be found in sportscar racing are invited to be a part of TRG's hospitality program. Groups or individuals are TRG team members for the weekend, spending time being as close to an active race as possible or relaxing in our private paddock.
