If you already have your tickets, please have them out and ready for scanning upon driving onto the raceway property. If you have a parking permit, it should be displayed on your rearview mirror. The friendly folks at the gates will direct you to where you need to go for parking. Tickets may also be purchased at the gates with cash or credit cards.

Sonoma Raceway is a big place, spread out over many acres, with 14 spacious parking lots, so we always have guides to direct you to where you will park. After parking your car as directed by our Parking Guides, you will see Track Ambassadors in blue polo shirts or blue jackets who will hand you a Fan Guide and parking lot locator to help you find your parking lot after the race.

Does it cost anything to park?

No, general parking is free.

What time should I arrive?

Check complete schedule of on- and off-track activities to determine what you'd like to see. Plan to arrive at least two hours before the start of the race to locate your seats and take advantage of all the non-racing activities and pre-race events around the raceway.

What about pre-race traffic getting to the raceway?

Traffic can be very sluggish on race day. Coming from the East Bay or Sacramento usually means you will travel westbound on Highway 37, which narrows to one lane in each direction and can be severely impacted.

2015 ANNUAL TRG-AMR SONOMA BEACH PARTY

Friday, August 28 @ 6:00 PM

TRG-AMR NORTH AMERICA & ADOBE ROAD WINERY

INVITE YOU TO A NIGHT OF AMAZING FOOD, AWARD-WINNING WINES, LIVE MUSIC & FUN

We had a fantastic event last year and we're going to take it to the next level. We are proud to be associated with the Pirelli World Challenge Series and all of its competitors and teams and want to show a little of our Northern California hospitality and lifestyle to our fellow competitors and guests while they are in town. All of us are so busy and we never get a chance to spend enough time together off the track, so we want this to be our contribution.

Join us for an evening full of fun and festivities, great food, live music, amazing wines, tours of the winery and most of all...great camaraderie - all in true Northern California style.

Aside from the wines and dinner, we will also be giving special tours of the race shop and winery as well as a personal tour of the barrel room along with barrel sampling of our latest vintages. Live music will be performed by the local band SugarFoot. The local cuisine will be catered by a top-notch team.
