“I’m feeling some wonderful energy as I’m entering my 10th season with this great team! The support from **The Racers Group**, and consistent belief from **LaSalle Solutions**, **BRM Chronographes**, and our great local friends and hosts with **BelleAir Development**—Carlos and Beverly Yepes—certainly keeps us pointing towards success. TRG and our great partners have become family, so I’m super grateful to be getting back together and getting the season underway!

We are also expanding on our family project: **FASTLIFE, Let’s Go**, a heart-warming story written by my wife, Brooke, and illustrated by my daughter Paige. I’m also very proud to announce a new collaboration between myself, BRM Chronographes, AutoMoto and renowned artist Robert Williams. The ultra-limited time pieces will be on display at our many events and throughout the St Pete Race weekend, and, of course, more information can be found at www.fastlife.tv.”
